

TERMS OF USE

Date of Publication: April 19, 2024

Last Updated: April 23, 2024

This website (the "Services") is owned and operated by Longevity Labs, and/or its subsidiaries or affiliates ("Company," "we," or "us"). These Terms of Use ("Terms") apply to your use of the Services. The Company offers the Services conditioned upon your acceptance of these Terms, and your continued use of the Services constitutes your agreement to these Terms. By using the Services, you affirm that you are of legal age to enter into these Terms of Use, or, if you are not, that you have obtained parental or guardian consent to enter into these Terms of Use. If you violate or do not agree to these Terms of Use, then your access to and use of the Services is unauthorized. If you do not wish to be bound by these Terms, do not access or use the Services.

PLEASE READ THESE TERMS CAREFULLY BEFORE USING ANY SERVICES.

IMPORTANT: BY AGREEING TO THESE TERMS OF USE, YOU ACCEPT THAT YOU MUST RESOLVE ANY CLAIM THAT YOU MAY HAVE AGAINST THE COMPANY ON AN INDIVIDUAL BASIS, AS DESCRIBED IN MORE DETAIL BELOW IN THE DISPUTES SECTION. **THIS WILL PRECLUDE YOU FROM BRINGING ANY CLASS, COLLECTIVE, OR REPRESENTATIVE ACTION AGAINST THE COMPANY. IT ALSO WILL PRECLUDE YOU FROM PARTICIPATING IN, OR RECOVERING RELIEF UNDER, ANY CURRENT OR FUTURE CLASS, COLLECTIVE, OR REPRESENTATIVE ACTION BROUGHT AGAINST THE COMPANY BY SOMEONE ELSE.**

You acknowledge that these Terms are supported by reasonable and valuable consideration, the receipt and adequacy of which are hereby acknowledged. Without limiting the generality of the foregoing you acknowledge that such consideration includes your use of the Services and receipt of data, materials, and information available at or through the Services, the possibility of our use or display of User Submissions (as defined below) and the possibility of the publicity and promotion from our use or display of User Submissions.

Commercial Transactions

The Services allow you to purchase products or services. To purchase any products or services through the Services, you must: (a) be at least eighteen years of age, (b) provide us with valid payment information associated with a credit card or other payment method that you are authorized to use, and (c) authorize us to charge your credit card or other payment method for the price of the products or services that you request, together with any taxes, fees, or shipping charges described on the Services.

We accept returns for a limited period of time following a purchase, and your sole remedy if you are dissatisfied with a product that you have purchased through the Services will be to return the unused portion of the product for a refund. After the return period has expired, all sales are final, and we will not accept returns or issue refunds.

In offering product descriptions on the Services, we attempt to be accurate, but we do not warrant that any product description is accurate, complete, or error-free, nor do we represent that any product will diagnose, treat, cure, or prevent any disease. In particular, please note that we may carry products from third-party sellers, and we rely on these sellers to provide descriptions of their own products. If you receive a product and believe that it materially differs from the product description, your sole remedy will be to return the product to us for a refund. Likewise, we attempt to list the current price for each product that we sell, but a small number of products may be mispriced. In these cases, we will

notify you before shipping the product of the corrected price and will either cancel your order or give you an opportunity to cancel your order or decide to keep your order.

Your License to Access and Use the Services and Ownership

The content, information, software, designs, materials, functions and data included in and contained on the Services (the "Content") are protected by intellectual property and other laws. You must comply with these and any other applicable laws when you use the Services.

Unless indicated to the contrary and subject to your strict compliance with these Terms, you may access and use the Services only for personal, non-commercial use, or in connection with your authorized purchase or sale of our products. In connection with these uses, Company grants you a limited, non-exclusive, revocable, non-assignable, personal, and non-transferable license to access, display, view, use, and/or play one (1) copy of the Content made available on the Services on a personal computer, mobile phone or other wireless device, or other Internet-enabled device (each, an "Internet Device"), provided that you: (a) keep intact all copyright and other proprietary notices, (b) make no modifications to the Content, and (c) do not use the Content in a manner that suggests an association with any of our products, services or brands. Any business use, "re-mailing" or high-volume or automated use of Services is prohibited.

We reserve all rights in the Content and the Services that we do not specifically grant in these Terms.

Prohibited Uses

Without limitation, you may not modify, distribute, transmit, perform, broadcast, publish, license, reverse engineer, transfer or sell, or create derivative works from, the Services or any Content unless you obtain our prior written approval. You also may not use the Services in a way that could harm us or any third party. For example, you may not use the Services in a way that could:

- Damage or interfere with the proper working of the Services;
- Intercept any Content or information that we have not intentionally made available to you or defeat any access controls that we have implemented;
- Give you access to the Services or Content using any interface other than the interface that we provide, or attempt to "scrape" or "harvest" Content;
- Frame the Services, display any Content in connection with an unauthorized logo or mark, or do anything that could suggest falsely a relationship between us and any other party;
- Convey unauthorized claims about the curative or health enhancing effects of our products or suggest that we have made such claims; or
- Otherwise adversely impact the operation of the Services, the Company, or any third party;
- Violate applicable local, state, federal, and international laws or regulations;
- Transmit, or facilitate the sending of, any advertising or promotional material without our prior Company written consent, including any "junk mail," or any other similar solicitation; or
- Engage in any other conduct that limits or interferes with anyone's use or enjoyment of the Services.

In addition to our other legal rights, we may limit or terminate your license to use the Services, or certain features of the Services, at any time and for any reason, without prior notice to you including our belief you violated these Terms.

Registration and Access Restrictions

You may be required to register for an account with us in order to use certain features of the Services. If you elect to take advantage of such features, you must register through the Services by completing

the applicable registration form to create your account with a unique username and password. The decision to provide this information is purely optional; however, if you elect not to provide such information, you may not be able to access certain Content or participate in certain features of the Services. You agree to: (a) provide true, accurate, current and complete information about yourself when we request it; (b) maintain and promptly update this information to keep it true, accurate, current and complete to the extent the Services permit such updates; (c) use limited-access portions of the Services only using access credentials that we have issued to you; and (d) exit your account at the end of each session in which you have logged-in to the Services.

You must maintain the confidentiality of any access credentials that we issue to you and may not share them with any other person. You must notify the Company immediately of any unauthorized use of your credentials or any other breach of security. Even if you notify us, you will be responsible for any activities that occur using your access credentials, including any charges resulting from the use of your account.

When you sign up for or use our products and services, you may give us permission to access your information in other services. The information we get from those services often depends on your settings or their privacy policies, so be sure to check what those are.

Web3 Utilities

To access the Services or some of the resources we offer, you may be asked to utilize certain Web3 capabilities, such as MetaMask or another crypto-asset wallet capable of interacting with your web browser ("Web3 Utilities"). It is a condition of your use of the Services that all the information only operate such Web3 Utilities with a private key(s) that you created or have the direct, explicit permission of the party who created the relevant private key(s). You agree that all information you provide to interact with the Services or otherwise, including, but not limited to, through the use of any interactive features on the Services, is governed by our Privacy Policy, and you consent to all actions we take with respect to your information consistent with our Privacy Policy.

If you utilize a Web3 Utility that relies on a username, password, private key, or any other piece of information as part of its security procedures, you must treat such information as confidential, and you must not disclose that information to any other person or entity. You also acknowledge that any identity linked to your Web3 Utility is personal to you and agree not to provide any other person with access to such identity while using these Services or portions of them using your Web3 Utility. You also agree to ensure that you will lock or otherwise prevent your Web3 Utility from unauthorized use on these Services at the end of each session.

You should use particular caution when accessing the Services from a public or shared computer so that others are not able to view or record your password, private key, or other personal information.

We have the right to disable any identity associated with a Web3 Utility (such as that represented by a public address) on the Services or to block any IP address from accessing the Services at any time in our sole discretion for any or no reason, including if, in our opinion, you or that identity has violated any provision of these Terms.

No Professional Advice or Medical Information

The Services do not provide medical advice, diagnosis or treatment, and the information included on the Services is offered for informational purposes only. Some portions of the Services may allow you to submit questions either to us or to third parties who have agreed to communicate with our users. Although we provide information about our products through the Services, **neither our employees**

nor these third parties are authorized to provide medical or other professional advice through the Services. We also have not confirmed the qualifications of any third party who provides information through the Services, even if that third party lists his or her qualifications. As a result, you should never use the information you obtain on the Services for diagnosis or treatment of any health problem or in place of any medication or other treatment prescribed by a physician or other healthcare provider.

Please consult with your physician or other healthcare provider if you have health-related questions before using any of our products or relying on any information you obtain on the Services. You should discuss any medications or nutritional supplements you are using with a healthcare provider before using any medications or supplements.

The statements on the Services have not been evaluated by the Food and Drug Administration. Our products are not intended to diagnose, treat, cure or prevent any disease.

Privacy

Our Privacy Policy describes our practices with regard to personal information that we collect through the Services. The Privacy Policy is incorporated into these Terms by reference, and by using the Services you agree to our use of any information that we collect from you in conformance with our Privacy Policy.

User Submissions

The Services may allow you to submit, embed, display, transmit, or otherwise distribute audio, video, text, or other materials (collectively, "User Submissions") to or through the Services. When you provide User Submissions, you grant to the Company a non-exclusive, royalty-free, fully paid, perpetual, worldwide, irrevocable and fully sublicensable and transferable (in whole or in part) license under all copyrights, trademarks, patents, trade secrets, privacy and publicity rights and other intellectual property rights you own or control to: (i) use, reproduce, transmit, modify, index, adapt, publish, translate, create derivative works from, distribute, display and otherwise exploit such content throughout the world in any media, whether now known or hereafter invented, including for any and all purposes, including commercial or marketing purposes, all without further notice to you, with or without attribution, and without the requirement of any permission from or payment to you or any other person or entity, and (ii) to use your name, persona or likeness alone or in connection with such uses, without any obligation or remuneration to you.

Except as prohibited by law, you hereby waive, and you agree to waive, any moral rights (including attribution and integrity) that you may have in any User Submissions, even if it is altered or changed in a manner not agreeable to you. To the extent not waivable, you irrevocably agree not to exercise such rights (if any) in a manner that interferes with any exercise of the granted rights. You understand that you will not receive any fees, sums, consideration, or remuneration for any of the rights granted in this Section.

Except as provided in our **Privacy Policy**, we do not guarantee that User Submissions will be private, even if the User Submission is in a password-protected area. Accordingly, you should not provide User Submissions that you want protected from disclosure. Except as otherwise described in the Services posted Privacy Policy you agree that: (a) your User Submissions will be treated as non-confidential-regardless of whether you mark them "confidential," "proprietary," or the like - and will not be returned, and (b) Company does not assume any obligation of any kind to you or any third party with respect to your User Submissions. Upon Company's request, you will furnish us with any documentation necessary to substantiate the rights to such content and to verify your compliance with these Terms. You acknowledge that the Services may be subject to breaches of security and that you

are aware that submissions of User Submissions may not be secure, and you will consider this before submitting any User Submissions.

By providing User Submissions through the Services, you represent, warrant and covenant that you own those User Submissions or otherwise have the right to grant to us the rights described in this section. You further represent, warrant, and covenant that the User Submissions:

- Will be accurate and will comply with these Terms;
- Will be original with you or you have all necessary rights from third parties in order to post the User Submissions on our Services, without the need for any permission from or payment to any other person or entity to exploit, and to authorize us to exploit, such User Submissions in all manners contemplated by these Terms;
- Will be respectful of others' opinions so we can continue to offer interactive features for everyone to enjoy;
- Will not cause injury to any person or entity, including as used by us in accordance with these Terms;
- Will not include medical or other professional advice;
- Will not be false, fraudulent, libelous, defamatory, sexually explicit, obscene, threatening, invasive of privacy or publicity rights, abusive, illegal or otherwise objectionable;
- Will not constitute or encourage violence or a criminal offense, violate the rights of any party, including intellectual property rights, or otherwise give rise to liability or violate any law;
- Will not impersonate any other person, user, or company, or may be false, fraudulent, deceptive, inaccurate, or misleading, or that misrepresents your identity or affiliation with a person or company;
- Will not include other people's personal information, such as another person's address, phone number, e-mail address, social security number, credit card number, medical information, financial information, or any other information that may be used to track, contact, or impersonate that individual;
- Will not contain software viruses, Trojan horses, spyware or any other technologies or malicious code that could impact the operation of the Services or any computer or device used to access the Internet or political campaigning, chain letters, mass mailings, or any form of "spam" and
- Will not contain advertise or promote a product or service or include advertising or other commercial material, except with our prior written consent; and
- Will not violate applicable local, state, federal, and international laws or regulations.

We may refuse or remove a User Submission without notice for any reason, including our belief that a User Submission may violate these Terms or be otherwise objectionable. However, we will have no obligation to review, monitor, display, post, store, maintain, accept or otherwise make use of, User Submissions, and you agree that neither we nor our employees or agents will be liable for User Submissions or any loss or damage to you and any other person or entity resulting from User Submissions.

You are solely responsible for your interaction with other users of the Services, whether online or offline. You are and shall remain solely responsible for the User Submissions you distribute on or through any Services and for the consequences of submitting and posting same. You should be skeptical about information provided by others, and you acknowledge that the use of any User Submission is at your own risk. We are not responsible or liable for the conduct of any user or content of any User Submission. We do not endorse the opinions, advice or recommendations posted or sent by users in any User Submission, and we specifically disclaim any and all liability in connection therewith. We reserve the right, but have no obligation, to monitor or become involved in disputes between you and other users. Exercise common sense and your best judgment in your interactions

with others (e.g., when you submit any personal or other information) and in all of your other online activities.

We cannot and do not assure that other users are or will be complying with the foregoing or any other Terms, and, as between you and us, you hereby assume all risk of harm or injury resulting from any such lack of compliance.

Community Token Program

The Terms apply to the Community Token Program (the "Program") under which you may be eligible to receive and/or generate cryptographic tokens designed to facilitate interactions between users and improve the functioning of the Services (simply the "Token"). For these Terms, the "Program" is included in the term "Services".

BEFORE MAKING ANY FINANCIAL, LEGAL, TECHNICAL, OR OTHER DECISIONS INVOLVING THE PROGRAM, YOU SHOULD SEEK INDEPENDENT PROFESSIONAL ADVICE FROM A LICENSED AND QUALIFIED INDIVIDUAL IN THE AREA FOR WHICH SUCH ADVICE WOULD BE APPROPRIATE. THE TOKENS HAVE NOT BEEN REGISTERED UNDER THE LAWS OF ANY COUNTRY. THEY PROVIDE NO RIGHT TO ANY PROFITS OR LOSSES.

Unless we introduce changes, you may participate in the Program. We may issue, update, change, replace, or cancel Token economic models. You are responsible for reviewing and becoming familiar with any modifications, waiving any right to specific notice of such changes.

Regarding Tokens, you hereby represent and warrant that:

- i. You are permitted by the laws of your jurisdiction to acquire, receive, stake, hold, and perform any other actions with cryptographic tokens.
- ii. You understand that holding Tokens does not grant you any specific rights, benefits, or guarantees of economic value.
- iii. Tokens are not redeemable, have no cash or other payment obligation from us, and do not represent money, security, commodity, or any financial instrument.
- iv. Tokens are minted voluntarily, without any obligation from us to provide services or benefits, and have no intrinsic economic value or tangible manifestation.
- v. You acknowledge the potential costs associated with interacting with smart contracts under the Program.
- vi. Tokens do not confer any legal or financial rights, including but not limited to rights to dividends, revenue, ownership, intellectual property, or participation in the Program or any entity related to it.
- vii. You recognize the inherent risks of the early-stage development of the Program and blockchain technology, including potential vulnerabilities, theft, or loss due to cybercrime or technical failures.
- viii. You understand the implications of blockchain transactions, including the non-refundability of gas fees and the irreversible nature of transactions, and acknowledge the absence of our liability for value fluctuations of digital assets.
- ix. You are aware that our role is limited to facilitating the Program and that we do not possess, control, or manage your crypto assets, with you retaining full responsibility for safeguarding your digital assets.

You represent and warrant a sophisticated understanding of smart contracts and acknowledge the significant risks, including the possibility of total loss of assets engaged in the Program due to vulnerabilities, malfunctions, or other unexpected failures of the technology.

Use of Artificial Intelligence

Our Services may employ artificial intelligence (AI) technology, including language models (LLMs), to assist you in searching for products on our website. The AI technology utilized is designed to facilitate complex queries against databases, which contain information provided directly by products manufacturers. It helps to navigate and filter the product offerings based on the criteria you provide. We cannot guarantee that search results will always be accurate or relevant to your needs. We do not claim that any products have specific nutrition or health benefits, or that they can cure specific ailments. You are encouraged to independently verify the suitability of any product found using our AI tools before making a decision.

The content available through our AI search features, including any product recommendations or health-related information, is not intended to provide medical or healthcare advice. It should not be relied upon as a substitute for consultations with qualified healthcare professionals. Our AI tools do not offer medical diagnoses, treatment plans, or advice on preventative care, cures, or treatments for any disease or medical condition.

CONSULTATION WITH A QUALIFIED HEALTHCARE PROFESSIONAL IS ADVISED BEFORE CHOOSING PRODUCTS BASED ON AI-GENERATED SEARCH RESULTS. This includes seeking advice regarding the diagnosis and treatment of any medical condition and before starting any new treatment, such as vitamins, herbal or dietary supplements, nutritional programs, or exercise regimes.

You are fully responsible for using the outputs generated by our AI tools. The Company disclaims any responsibility for inaccuracies, errors, or reliance on AI-generated content. You agree to adhere to all applicable laws and ethical standards in using the AI features. Use these tools judiciously and responsibly.

IN NO EVENT WILL THE COMPANY BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES RESULTING FROM THE USE OF AI-GENERATED OUTPUTS. YOU AGREE TO INDEMNIFY AND HOLD HARMLESS THE COMPANY AND ITS AFFILIATES FROM ANY CLAIMS, DAMAGES, OR LOSSES ARISING FROM YOUR USE OR MISUSE OF THE AI TOOLS.

By using the AI search features, you acknowledge the inherent limitations and risks associated with AI technology, for example:

- **Unpredictable Behavior:** AI may generate inaccurate, incomplete, or misleading content due to their algorithmic nature.
- **Intellectual Property Infringement:** Interaction with AI systems could inadvertently lead to the creation or dissemination of content that violates intellectual property rights.
- **Privacy and Data Security Risks:** AI systems process vast amounts of data, which can pose privacy and data security risks.
- **Ethical and Societal Impact:** The use of AI can have profound effects, potentially perpetuating biases, discrimination, and undermining societal norms and values.

Operational and Technological Failures: AI systems can experience errors, downtime, and other disruptions, impacting their reliability and performance.

International Use

The Services are operated by the Company from its facilities in the jurisdiction of its establishment. The Company makes no representation that the Services or the content provided through the Services are appropriate, legal, or available for use in your location outside of this jurisdiction.

Users accessing the Services from their locations do so on their own initiative and are responsible for compliance with local laws. You acknowledge that the Company is not liable for ensuring compliance with the laws of your jurisdiction, and you will bear all risks associated with the violation of such laws.

Links to Third-Party Site

The Services may contain links to other sites or electronic services that are not operated by our family of companies. These links are provided as a convenience to you. However, we do not represent that we have endorsed or evaluated the information on those other sites or electronic services. Your relationship with the operators of these third-party sites is governed by the terms and conditions and privacy policy, if any, of those sites, and not by these Terms. Therefore, you should review those documents before using third-party services.

Nor can we be held responsible for the accuracy, relevance, legality, or decency of material contained on Services retrieved in searches and/or listed in search results or identified on search results pages.

Electronic Communications

When you access or use the Services, send e-mails to us, or receive electronic communications from us, you are, and consent to, communicating with the Company electronically. We may communicate with you by e-mail or by posting notices through one or more of the Services. You agree that all notices, disclosures, agreements, policies, and other communications that the Company provides to you electronically satisfy any requirement that such communications be in writing.

Copyright Infringement Notice

We respect the intellectual property rights of others. If you believe that Content on the Services violates your copyright, please send us a notice using the following contact information: support@longevity.ac.

Your notice must include:

- A physical or electronic signature of a person authorized to act on behalf of the owner of an exclusive right that is allegedly infringed;
- Identification of the copyrighted work claimed to have been infringed, or, if multiple copyrighted works at a single online site are covered by a single notification, a representative list of such works at that site;
- Identification of the material that is claimed to be infringing or to be the subject of infringing activity and information reasonably sufficient to permit us to locate the material, which must include, if available, the exact URL where the claimed material is located and the exact location on the applicable page in the URL where the claimed material can be found;
- Information reasonably sufficient to permit us to contact the complaining party, including but not limited to email addresses, mailing addresses, and or phone numbers;
- A statement that the complaining party has a good-faith belief that the use of the material in the manner complained of is not authorized by the copyright owner, its agent, or the law; and
- A statement that the information in the notification is accurate, and under penalty of perjury, that the complaining party is authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

Upon receipt of a notice of claimed infringement that satisfies these requirements, we will act expeditiously to remove or disable access to any Content that is claimed to be infringing upon the copyright of any person and will terminate the access privileges of those who repeatedly infringe on the copyrights of others.

Disclaimers

Your use of the Services is at your sole risk. The Services are provided on an "as is" and "as available" basis. We reserve the right to restrict or terminate your access to the Services or any feature or part thereof at any time. We expressly disclaim all warranties of any kind, whether express or implied, including the implied warranties of merchantability and fitness for a particular purpose and any warranties that materials on the Services are non-infringing, as well as warranties implied from a course of performance or course of dealing; that access to the Services will be uninterrupted or error-free; that the Services will be secure; that the Services or the servers that makes the Services available will be virus-free or otherwise free of harmful components; or that information on the Services will be complete, accurate or timely. If you download any materials from the Services, you do so at your own discretion and risk. You will be solely responsible for any damage to your computer system or loss of data that results from the download of any such materials. No advice or information, whether oral or written, obtained by you from us or through or from the Services will create any warranty of any kind. We do not make any warranties or representations regarding the use of the materials on the Services in terms of their completeness, correctness, accuracy, adequacy, usefulness, timeliness, reliability or otherwise.

In certain jurisdictions, the law may not permit the disclaimer of warranties, so the above disclaimer may not apply to you.

Limitation of Liability

To the greatest extent permitted by applicable law, neither we, nor our suppliers or third party content providers, will be liable for any direct, indirect, punitive, exemplary, incidental, special, consequential or other damages arising out of or in any way related to: (1) the Services (including any delay or inability to use the Services), (2) any information, products or services advertised in or obtained through the Services, or (3) our removal or deletion of any materials submitted or posted on the Services, whether based on contract, tort, strict liability or otherwise, even if we or any of our suppliers have been advised of the possibility of damages.

We each agree that any dispute proceedings will be conducted only on an individual basis and not in a class, consolidated or representative action.

Your sole and exclusive remedy for any claims or disputes involving us that are not waived by these Terms will be to discontinue your use of the Services and to seek a refund of the money you paid to us, if any, during the three months preceding your initiation of the claim or dispute.

Regardless of any statute or law to the contrary, you must file any claim or action related to use of the Services or these Terms within one year after such claim or action accrued. Otherwise, you will waive the claim or action.

THE LIMITATIONS, EXCLUSIONS AND DISCLAIMERS IN THIS SECTION AND ELSEWHERE IN THESE TERMS OF USE APPLY TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW.

Indemnification

You agree to indemnify, defend and hold harmless the Company and its officers, directors, employees, contractors, agents, licensors, service providers, subcontractors and suppliers from and against any and all losses, liabilities, expenses, damages and costs, including reasonable attorney's fees and court costs, arising from or in connection with your use of the Services or our products or services or any violation or alleged violation by you of these Terms or applicable law. We reserve the right, at our own expense, to assume exclusive defense and control of any matter otherwise subject to

indemnification by you and, in such case, you agree to cooperate with us in the defense of such matter. You may not settle any claim covered by this Section or admit any liability on the part of the Company without the Company's prior written approval.

Applicable Law, Dispute Resolution, and Class Action Waiver

PLEASE READ THIS SECTION CAREFULLY. IT MAY SIGNIFICANTLY AFFECT YOUR LEGAL RIGHTS, INCLUDING YOUR RIGHT TO FILE A LAWSUIT IN COURT.

These Terms of Use and your access to and use of the Services shall be governed by and construed and enforced in accordance with the laws of Marshall Islands (without regard to conflict of law rules or principles of Marshall Islands, or any other jurisdiction that would cause the application of the laws of any other jurisdiction).

You hereby submit to and consent to the exclusive jurisdiction and venue of the courts sitting in Marshall Islands for the litigation of any dispute hereunder or in connection with the Terms of Use or the Services. You hereby irrevocably waive and agree not to assert in any suit, action, or proceeding, any claim that (a) you are not personally subject to the jurisdiction of such courts, or (b) such suit, action, or proceeding is brought in an inconvenient forum, or (c) the venue of such suit, action or proceeding is improper.

We each agree that any dispute resolution proceedings will be conducted on an individual basis only, and not in a class, consolidated, or representative action. YOU ACKNOWLEDGE AND AGREE THAT YOU AND THE COMPANY ARE EACH WAIVING THE RIGHT TO A TRIAL BY JURY OR TO PARTICIPATE AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS ACTION OR REPRESENTATIVE PROCEEDING.

Changes to These Terms of Use

We reserve the right, in our sole discretion, to change these Terms at any time by posting revised terms on the Services. It is your responsibility to check periodically for any changes we may make to these Terms. Your continued use of the Services following the posting of changes to these terms or other policies means you accept the changes.

Termination

These Terms of Use constitute an agreement between you and the Company, which the Company may terminate in its sole discretion, in whole or in part, at any time and for any reason. If the Company terminates this agreement with you, you may no longer access the Services. Upon termination of this agreement and/or your access to the Services, you will immediately destroy any copies of any Content, whether in printed or software format. Otherwise applicable portions of the Terms of Use survive termination of these Terms, including applicable portions of the sections relating to No Professional Advice or Medical Information; User Submissions; Links to Third Party Websites; Electronic Communications; Disclaimers; Limitation of Liability; Indemnification; Dispute Resolution, and Class action Waiver; Termination; and Entire Agreement, Severability, No Waiver.

Entire Agreement; Severability; No Waiver

These Terms, together with the **Privacy Policy** incorporated within them by reference, constitute the entire agreement of the parties with respect to the subject matter hereof and supersede all prior or contemporaneous communications and proposals, whether oral or written, between the parties with respect to such subject matter. If any provision of these terms is deemed unlawful, void or

unenforceable, the remaining provisions will remain in place and the invalidated provision will be deemed replaced by an enforceable provision that most closely reflects the intent of the parties.

Our failure to exercise or enforce any right or provision in these Terms will not constitute a waiver of that right or provision or any other rights or provisions included within the Terms.

How to Contact Us

If you have any questions or comments about these Terms or the Services, please contact us by: contact@longevity.ac.
